## HSR Prototype Challenge Competition Memo 04.02.2025

The HSR Prototype Challenge has undergone a few adjustments since the first race at the Sebring Classic 12hr in 2025. This document highlights the changes since that event. The new HSR Prototype Challenge Series Overview and Rules document can be viewed at [HSRrace.com](https://hsrace.com) under Competitor Info -> Car Eligibility, or at the hyperlink at bottom of this page.

**Note:** The document is dated 03.13.2025, however, this is the most recent version as of this notice.

### Event Weekend Format

Originally, the HSR Prototype Challenge weekend format consisted of:

- One (1) 30-Minute – HSRPC Open Practice Session
- One (1) 30-Minute – HSRPC Sprint Qualifying Session
- One (1) 30-Minute – HSRPC Sprint Qualifying Race
- One (1) 30-Minute – HSRPC Sprint Feature Race
- One (1) 15-Minute – HSRPM Enduro Qualifying
- One (1) 90-Minute – HSRPC Enduro Race with two (2) mandatory 5-minute pitstops

Now, the HSR Prototype Challenge will follow this format:

- One (1) 30-Minute – HSRPC Open Practice Session
- One (1) 30-Minute – HSRPC Sprint/Enduro Qualifying
- Two (2) 30-Minute – HSRPC Sprint Feature Races
- One (1) 90-Minute – HSRPC Enduro Race with two (2) mandatory 5-minute pitstops

### Race Procedures

The following race procedures have also changed in this new document:

- HSRPC Qualifying will set the grid for Sprint Race 1, and the HSRPC Enduro
- HSRPC Sprint Race 1 will set the grid for Sprint Race 2

Please review the most recent HSR Prototype Challenge Series Overview and Rules document, listed [here](#).
