SCHEDULE

The scheduled time for each run group is NOT the time to get to the grid! It is the time your group is leaving the grid. Bring your cars to the Grid 10 minutes BEFORE your session begins.

STAGING AND LOAD-IN

Paddock Load-In will begin at 10:30am Wednesday, September 3. You may begin staging on Tuesday, September 2. When you arrive prior to load in time, see Staging Area Traffic Flow Map. Please be respectful of your paddock neighbors. The track will collect a \$40 fee from anyone who plugs in to electrical power. This fee is for the event.

PADDOCK PARKING

No Paddock parking passes will be used at this event. Please be aware of where you park. Do not block your neighbors or any other vehicle ... racecar or not.

Paddock Camping

All RVs (travel trailer, toter home, etc.) entering VIR must have a camping pass. The camping pass for HSR's event is \$140. The price is set and collected by the track. You may purchase the camping pass at the Front Gate or with Security in the Staging area. Here is a link to the track's camping policies: <https://virnow.com/wp-content/uploads/2024/03/2024-Camping-Policy-Final.pdf>. There will also be a \$40 charge for electricity that will be collected by track personnel. This \$40 fee is for the entire event, not per day.

TEST DAY:

HSR offers our Track Orientation Program at this event. Led by multiple championship-winning driver and HSR's Competition Director, Dorsey Schroeder, the Track Orientation Program offers those who are at VIRingia International Raceway for the very first-time valuable insight that otherwise only comes with many hours of track time. The TOP will also provide the returning competitor with a refresher course on this challenging racetrack. The TOP is conducted on the Test Day and requires a separate entry to the Test Day.

TECH:

Tech Inspection will be set up at the Tech Shed in the Paddock. You have all day Thursday to get through Tech. All cars must present their Group Sticker on the Grid beginning Friday morning.

The tech sheet for your entry will be with Tech. Your tech inspection must be completed to receive your race Group Sticker(s). If you need to present your car for its annual tech inspection, please present your car with the car's logbook to the Tech Inspector. It is your responsibility to see that your car is prepared properly and safe to race.

DRIVERS MEETINGS:

All Drivers' Meeting will be held in the meeting room under the garages. Attendance is mandatory for all Drivers. You will receive your helmet sticker at these meetings.
