HSR Prototype Challenge presented by Michelin - Tire Bulletin

Updated 09/09/2025

Up to now, certain HSR Prototype Challenge vehicles (Class P2 LMP2 and Class P1 DPi) have been utilizing a Michelin tire specifically designed for IMSA competition, therefore HSR teams could only acquire the tire through IMSA sources.

As of today, there is now a consumer tire available for these certain vehicles, and it is available for purchase directly through SascoSports. Teams **must** purchase this new consumer tire, as the IMSA variant is no longer eligible for HSR teams to use.

Shown below is the part information and pricing for this new tire. *Pricing subject to change over time.*

HSR Prototype Challenge presented by Michelin			
Part Number	Tire Size	Tire Name	Price
56993	30/68-18	Michelin Pilot Sport P-Car	\$ 985.00
62297	31/71-18	Michelin Pilot Sport P-Car	\$ 1085.00

Below are the contact details for SascoSports and Jackson Motorsports for any questions and ordering information.

SascoSports – Dave Handy – (434) 822-7200 or info@sascosports.com

Jackson Motorsports – (800) 722-3234 or info@jxnracetires.com
