REGISTRATION

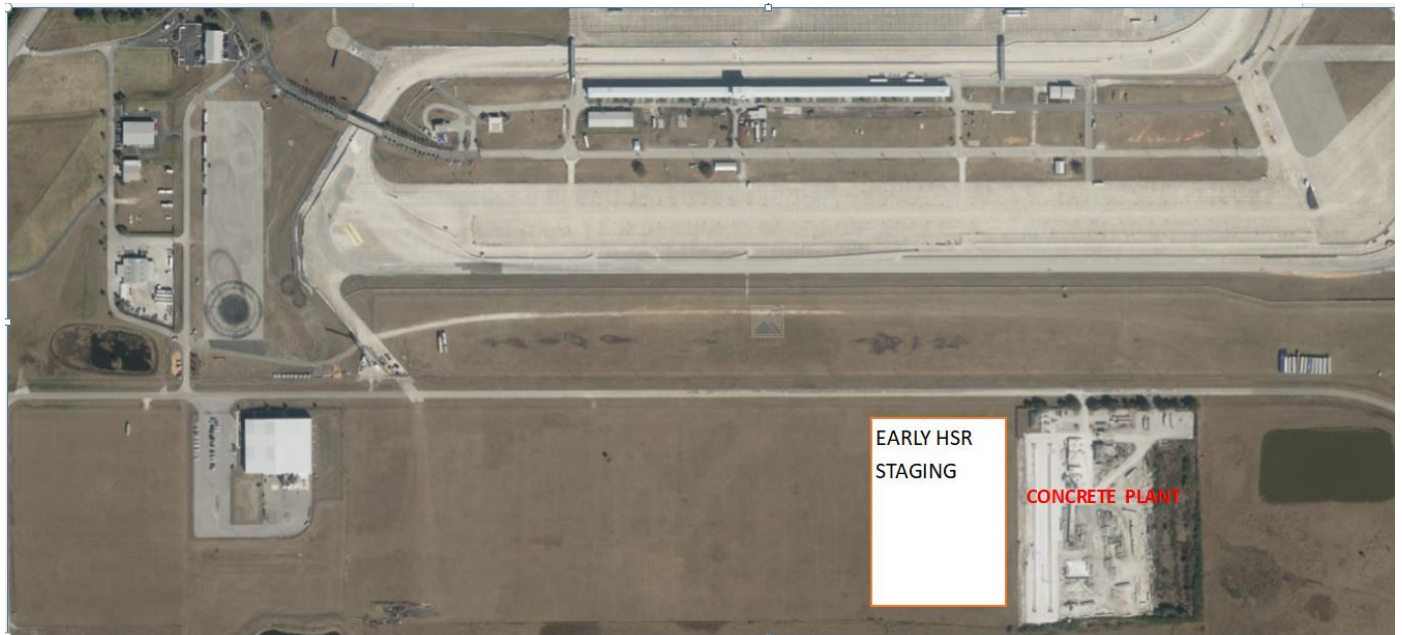

Registration will be located in the Building at the north end of the Skid Pad (staging area). You will see a bank of windows that face the Skid Pad. This is Registration.

Please ensure that your crew and/or guests are aware of the Registration hours. All crew, guests and any others will need to receive their credentials prior to entering the facility. Each credential must be signed for by the individual to whom the credential is assigned.

Minors under the age of 16 may not be assigned crew credentials.

STAGING AND LOAD-IN

Rigs may begin to stage on the Skid Pad at Sebring on Tuesday, February 10 at 6:00pm. Rigs that arrive before that date and time will not be allowed onto the Skid Pad and will be directed to the open field across from Gate 4. For those that arrive before the 6:00pm staging time, please see the below image, and park as close to the concrete plant as possible.

Competitor and Crew will be allowed to load-in on Wednesday, February 11, beginning at 10:00am. Sebring International Raceway personnel will direct any rigs to the proper location. No overnight camping will be allowed prior to Wednesday, February 11, which means you will not be able to sleep in a rig parked at the facility.

All rig drivers will be required to check in with Registration **PRIOR** to Load-In to receive their Credentials.

All vehicles, trailers, transporters, and RV's must be clear of all infield areas by 6:00pm on Sunday, February 15. HSR rigs may park overnight on track property. Proceed to Midway Road, turn right and park on concrete pad on left. No one may stay overnight in the rigs that stay on track property.

ACCESS TO FACILITY THROUGHOUT THE EVENT

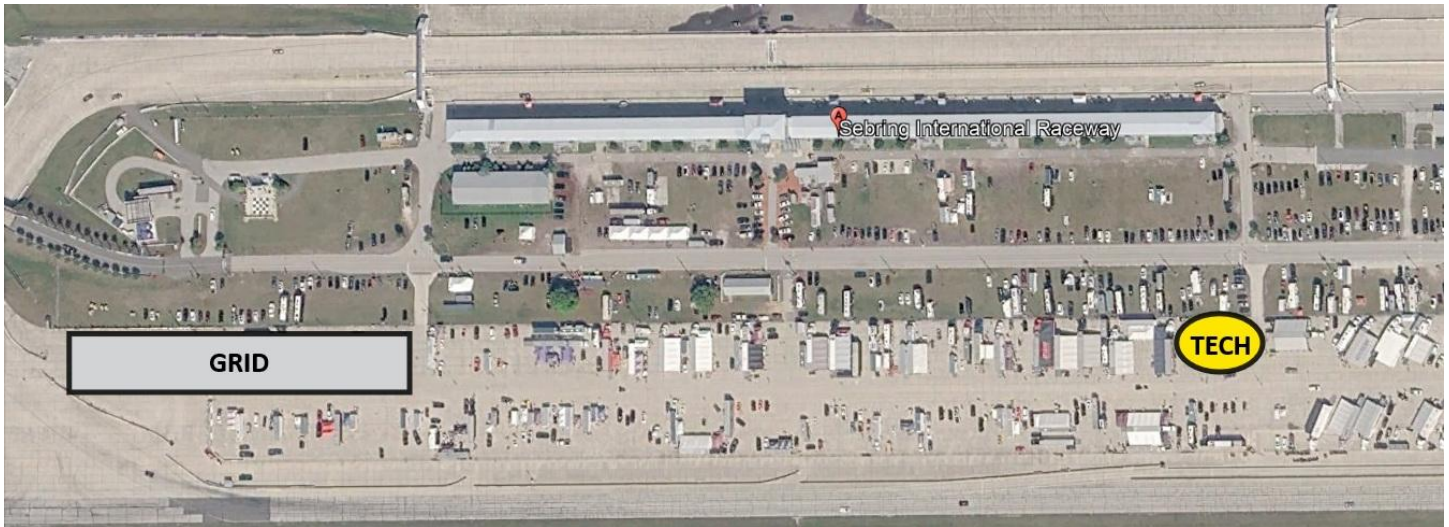

All participants (drivers, crew, guests, officials, vendors and spectators) will enter the facility through Gate 4, which is off Carroll Shelby Drive, for the **entirety of the event**.

PADDOCK INFORMATION

- If you connect to electrical power in the Paddock, the track will collect a \$100 fee from you for the event.
- Fire Extinguishers should be available at every team paddock location in case of emergency.
- No stakes may be driven into any asphalt or concrete surface.
- Do not argue with Sebring International Raceway Security or other personnel.
- All waste must be disposed of properly.
- Used tires, batteries, equipment, and empty fuel drums are each individual team's responsibility. The simple rule is: If a team brought it in...then that team must take it out. Failure to do so could result in fines, suspensions, and increased costs to everyone.
- No open-toed shoes allowed in the Pit Lane area.
- No shorts or sleeveless shirts are allowed in the Hot Pit Lane during the B.R.M Endurance Challenge, HSR Mission GT Challenge Enduro and the HSR Prototype Challenge Enduro.

TECHNICAL INSPECTIONS

Tech Inspection will be set up in the HSR Paddock (see diagram below). You have Wednesday from 10:00am – 6:00pm to get through Tech. All cars on the Grid must present their Group sticker beginning Thursday morning.

You must present the car, helmet and HANS device for each Driver registered on the entry at the technical inspection station for an inspection. If you have an Annual Tech sticker issued by HSR, you only need to present the Log Book, helmet and HANS device for each Driver registered on the entry. Annual Tech Stickers from other sanctioning bodies may be accepted at the discretion of the Chief of Tech and/or Technical Director. To receive your Group sticker(s), the Tech Sheet must be stamped or signed by an HSR Tech Official.

This inspection is primarily a safety inspection and may or may not address compliance with regulations pertaining to specifications. All competitors must have the proper Tech Sticker on the car beginning Thursday morning.

DRONE USAGE

Drone use is strictly prohibited at Sebring International Raceway.

DRIVER REQUIREMENTS

All competitors (including co-drivers) must hold a competition license, at the appropriate level, issued by HSR.

SAFETY EQUIPMENT

See 2026 HSR Code and Regulations for full Driver Safety Requirements.

PIT VEHICLES/GOLF CARTS

You may rent golf carts from National Carts using this link: [National Carts](#).

Pit vehicles must be operated by a licensed driver 16 years or more in age. The speed limit is 10 MPH for all vehicles in garage, Paddock and pit areas.

TRANSPONDERS/TRANSPONDER RENTALS

All cars must have an AMB TranX260 compatible transponder. A limited number of transponders are available for rent through our Registration Staff. Please have a 2026 Transponder Rental Form filled out and see a member of our Registration Staff. If you need to rent one when you arrive, please let a Registrar know and one will be assigned to you. **All rental transponders must be returned to an HSR staff member at the HSR Trailer or Tech or to Lyn Hodges Watts prior to your departure from the event.** Please hand the transponder to an HSR staff member. You will be charged in full for transponders that are not returned at the end of the event.

TECH SHEETS

Your Tech Sheet will be available at Tech.

TIMING SHEETS/RESULTS

Timing sheets/results will be uploaded to the HSR website twice each day, lunch time and at the end of the day. You may find the uploaded results here: [HSR Event Results](#) (click on Sebring Pistons & Props).

DRIVERS MEETINGS

Attendance at one of the two (2) Drivers' Meetings is mandatory for all Competitors (Drivers AND Co-Drivers). You will receive your helmet sticker at these meetings. If you miss the meetings, you must see Dorsey Schroeder for a review of the information provided at the meeting and to receive a helmet sticker.

All Drivers' Meetings will be held in the Hall of Legends Building.

Racing Flags

Green Flag

Signals a clear course and indicates the immediate start or restart of a race.

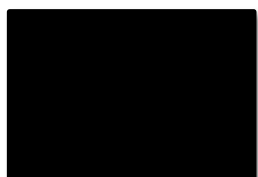

Yellow Flag

STANDING: A situation exists that warrants your attention and caution. NO PASSING until you have proceeded to a station where the yellow flag is no longer being displayed.

WAVING: A hazardous situation exists that warrants your attention and extreme caution. SLOW DOWN AND NO PASSING. You will probably have to deviate from and modify your driving line.

DOUBLE: When you see a station displaying two yellow flags. A FULL COURSE YELLOW exists. NO PASSING, a pace car may be used.

Black Flag

OPEN: Displayed at all corners means THE SESSION HAS STOPPED. All cars shall proceed cautiously to the pits. Stop Racing. An “ALL” sign will be displayed at the starter’s stand and Black Flag Station. The Black Flag Station is located at Turn 6.

CLOSED (Furled): Warning when pointed at a participant from the starters stand.

Red Flag

EXTREME DANGER – THE SESSION HAS BEEN STOPPED. Be aware of surroundings, slow down, pull to the side of the track and STOP in view of a corner station. Possible track blockage. No Passing. Give way to any safety vehicles on track. Cars entering pit lane are to proceed in race order to Black Flag Marshall for direction. The Red Flag will either be followed by a Black Flag All or the Safety Car will be deployed under Full Course Caution.

White Flag

Open, displayed at all corners and start, at the beginning of practice sessions. Passing allowed, you may encounter slower cars. Do not weave to warm tires.

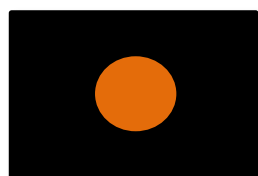

Blue w/ Yellow Stripe Flag

Check your mirrors. Hold the line, another competitor is following closely or is trying to overtake.

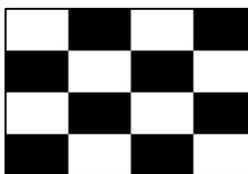

Yellow w/ Red Stripes Flag

Signals debris on race surface which could include parts from a car or a slippery race surface. Exercise caution.

Black w/ Orange Ball Flag

Do not take another lap. Something is wrong with a participant’s car. Flag is shown beside board with involved car’s number. That car must proceed to pits.

Checkered Flag

The race or session is finished. Stop racing, cool your car down and return to the pits at the next opportunity.
