2026 HSR Licensing and Entry Deadlines

03/25/2026

For 2026, HSR is introducing new deadlines for competition licenses and event entries. These deadlines are put into effect to help ensure that license and entry applications are submitted correctly and are properly reviewed. These deadlines allow HSR to serve each competitor to an even higher level by increasing the efficiency of our process.

License Application Deadline

The License Application Deadline is for new competitors who have not previously held a competition license with HSR, and/or competitors who have not held an HSR competition license within the most recent five (5) years. All competitors must have all required information **submitted** by the Late Fee Cutoff Date, typically 10 days prior to an event. If any required information is not submitted by the Late Fee Cutoff Date, that license will not be approved for that event.

The items required to be submitted include, but may not be limited to the Competiton License Application, the Medical Form signed by a Doctor or Licensed Physician, and a Racing Resume.

Entry Application Deadline

The Entry Application Deadline is for new competitors to HSR. New competitors who submit an entry with a car that has not been in competition at an HSR event must have all required car information **submitted** by the Late Fee Cutoff Date, typically 10 days prior to an event. If any required car information is not submitted by the Late Fee Cutoff Date, that entry will not be approved.

The items required to be submitted are the Entry Application, the Race Car Information Sheet (RCIS), and photos of the car. The Race Car Information Sheet and Car Photos must be sent to the HSR Technical Director at jwoehrle@hsrrace.com.

HSR Refund Policy

HSR Competitors who enter HSR events may cancel an event or part of an event up to the Late Fee Cutoff Date for that specific event and receive a refund of their entry fees for the segments cancelled. Competitors that cancel after the Late Fee Cutoff Date may receive a refund, less an administrative fee of \$300 that will be retained by HSR.

To receive a credit for an event, you must notify Registration via email before 9am on Practice/Qualifying Day.

Once an event is underway (cars have taken to the track for Practice/Qualifying Day), no refunds will be granted.

Refunds will also be granted in the event of:

- Denial of license application
- Denial of entry application
- Charge processed by HSR in error

HSR reserves the right to interpret, apply, modify, or create new rules at its sole discretion.
