Rental Transponders, Live Timing and Results

04/20/2026

HSR has partnered with Al Kamel Systems and Al Kamel North America for Timing and Scoring in 2026. This leads to a few adjustments to the usual process to find Live Timing, Results and Rental Transponders at HSR events.

Rental Transponders

Rental Transponders will no longer be available to rent through HSR Registration. Rental Transponders will now be handled entirely by the Timing and Scoring team.

There is an online storefront through the Al Kamel website to rent transponders for HSR events. Please follow this link to for easy access.

HSR must be entered as the Series, and the Primary Driver (Main Driver) must be entered under Team Name.

The Rental Transponder can then be added to the cart and the rental fee paid directly through the Al Kamel website. Rental Transponders are \$200 per event.

Rental Transponders will be available for pickup at Timing and Scoring. The location for Timing and Scoring at each race track will be found in the HSR Event Schedule Supplemental Regulations for the appropriate event. Rental Transponders **must** be returned to Timing and Scoring or handed directly to HSR staff member in Tech before the end of the event or an additional \$650 Fee will be charged directly to the credit card on file.

For HSR The Mitty presented by Hagerty at Michelin Raceway Road Atlanta, Timing and Scoring can be found on the fourth floor of the Michelin Tower.

Live Timing

HSR Live Timing will no longer be through Race Monitor. Al Kamel North America will have a dedicated live timing website for all HSR events. Please click the following link to access the Live Timing page. This page will also be linked on the appropriate Event Page on the HSR website HSRrace.com.

Results

HSR Results will no longer be posted to the HSR website as done in the past. There will be a link to the dedicated Al Kamel North America HSR Results page on the current HSR Results site on HSRrace.com. Please use the following link to access the new HSR Results page.

To view the results for different events, there is a Season dropdown and an Event dropdown. Use the Event dropdown to find the appropriate results. Only 2026 is currently available in the Season Dropdown, and previous seasons will stay on the HSR website. 2026 results and beyond will be on the Al Kamel Timing Results site.
