

HSR Licensing System (MERG) Account Creation

In 2025, HSR introduced a new licensing and registration system. This system is called MERG. Your first step is to create a MERG account. This document will guide you as you create your account.

The email address used to establish the account will be assigned to that account only. **Please use the DRIVER'S email address to establish the account.** Email addresses may not be shared by multiple individuals. Each person, whether they are driver or crew, must use an email address that is unique to them.

Here is the link to MERG, HSR's Licensing system: <https://merg.hsrrace.com>.

Click on "Register" (see red circle).

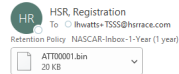

You will then be directed to a screen where you will enter the Driver's name and email address. **The email address used here will be set as the email address used to login to this Merg account. You are strongly encouraged to use the Driver's email address. All correspondence with the Driver will be sent to this email address.** Create a password that complies with the criteria outlined, then click blue "Register" button:

A screenshot of the HSR MERG 'REGISTER' page. The page has a dark blue header with the HSR logo. Below the header, there's a large image of a yellow sports car racing on a track. Overlaid on this image is a white registration form. The form has five input fields: 'FIRST NAME', 'LAST NAME', 'EMAIL', 'PASSWORD', and 'CONFIRM PASSWORD'. The 'EMAIL' field has a yellow warning message: 'PLEASE USE THE E-MAIL ADDRESS YOU USED FOR LAST YEAR'S CREDENTIALS. THIS WILL ALLOW US TO AUTOMATICALLY FILL IN YOUR DATA AND SAVE YOU A LOT OF TIME.' The 'PASSWORD' field has a red warning message: 'Password is required. Password must have at least 1 uppercase, 1 lowercase, 1 special character \$@!%*?&#., 1 number and be at least 9 characters long.' The 'CONFIRM PASSWORD' field has a red warning message: 'Passwords don't match.' At the bottom of the form are two buttons: 'Register' (in blue) and 'Cancel' (in grey). At the bottom of the page, there's small text that reads '© Copyright: HSR', 'Privacy Policy | Terms of Use', and 'Historic Sports Racing | One Daytona Blvd. | Daytona Beach, FL 32114 | 386.681.5535'.

An email will be sent to the email address used to establish the account. Inside that email is a link. Open the email (it may have gone to your Spam or Junk folders) and click on the link in the email that says, “Confirm E-Mail Address”.

Once the email address has been confirmed, you may enter your email address and password on the MERG login page, then click the blue “Login” button. This will log you in to your newly created MERG account where you may submit your license application. See the *HELP - Competition License Application* document for guidance on applying for a license.
